SEASONS GREETINGS

WE TAKE THIS OPPORTUNITY to thank our many friends and patrons for the past year's business, and to announce that we are still making FARM LOANS ON LONG TIME AND EASY TERMS. By this system you can develop your holdings and PAY BACK the interest out of the PROFITS from the land, and you don't have to "dig up" on the principal in "lump sum" and don't have to pay back each year more than you can get out of the land.

We are still in the REAL ESTATE BUSINESS. If you want to sell your farm or home, we know the man who wants to buy it. If you want to buy a farm or home, we can put you next to a good bargain.

HOMESEEKERS will do well to consult us before making location on Government land. We know all about the vacant Government lands and can assist the locator or prospective locator in "getting settled." We are also prepared to give advise as to the requirements under the various land laws.

We are making a specialty of WATER APPLICATIONS and PROOFS ON WATER CLAIMS.

If you want FIRE INSURANCE we can give you one of the best policies. Don't ask your friends to GO ON YOUR BONDS; let us get the bond for you from a reliable surety company.

We send you CHRISTMAS GREETINGS with our best wishes for a HAPPY AND PROSPEROUS NEW YEAR.

M. H. Dalley & Sons Co.

The Golden Rule wishes its
patrons and friends
A Merry Christmas
and a
Happy New Year

Cleaning and Pressing for Christmas

YOUR SUIT will need cleaning and pressing for the holiday week, and especially for Christmas Day. Bring it to us early and let us do an extra good job on it. We do that anyway with every piece that is brought to us, but we want especially to outdo all former efforts this Christmas.

Everything in wearing apparel cleaned, pressed and repaired promptly for men, women and children—and exceptional care taken with delicate goods. Latest scientific methods employed.

Suits Pressed, 50 Cents. Suits Cleaned, \$1.50 and up.
